The personal data we collect will be used solely for the purpose of facilitating your participation in the school. Your personal data will be collected and processed only for the purpose of the registration, verification of the eligibility, and participation in the school. All the data that you are providing by registering to the school will be treated with strict confidentiality and in accordance with relevant data protection regulations. We will only retain your personal data for as long as necessary to achieve the purpose of processing it. Once we no longer need your personal data, we will dispose of it securely. We take the protection of your data seriously and have implemented appropriate technical and organizational measures to keep your personal data secure against unauthorized access, disclosure or accidental loss or destruction. If you have any questions or concerns about the use of your personal data, please do not hesitate to contact us at arcadian-iot-summer-school@ri.se. You can find our complete privacy policy by following this link <https://www.ri.se/en/processing-personal-data-marketing-event>. By completing and submitting this registration form, you are confirming that you have read our privacy policy and agree to its terms.

Date _____

Signature _____

- To be filled in capital letters
- We kindly request you to send this application form by email: arcadian-iot-summer-school@ri.se
- Once you have submitted your registration form, our team will review your application to determine your eligibility. If your eligibility has been confirmed, you will receive an email from us requesting proof of your flight/train reservation that must be provided within 5 calendar days. Failure to do so will result in your registration being cancelled and your priority being given to the next person on the list.
